Re: **United States v. Glenn Wallace**
Criminal No. 89-338

Dear Judge Ackerman:

It is respectfully requested that Your Honor appoint the Federal Public Defender's Office to represent Mr. Wallace in his pro se filing for a reduction motion. By copy of this letter and motion I am so advising Mr. Wallace. His pro se filing was referred to this office by the U.S. Clerk's Office for review.

A review by this office of Mr. Wallace's case seems to indicate that he may qualify for a reduction of sentence under the revised crack cocaine guideline. Matthew Miller of the U.S. Probation Office has supplied pertinent documents to me. The redacted presentence report indicates that the base offense level was found to be 36 and the total offense level to be 40. Under current law, the base offense level would be 34 and the total offense level would be 38. The recommended range in the report was deemed to be 292-365 months.

Thank you for consideration of these requests for the appointment of counsel and the reduction of sentence.

Respectfully,

s/ Chester M. Keller
First Assistant Federal Public Defender
